2019 *Monterey County* SAUVIGNON BLANC

WINEMAKING

2019 was an exceptional growing season. The summer temperatures were moderate without any prolonged heat spikes. The cool afternoon breezes from the Pacific allowed the grapes to mature evenly attaining full flavors, ideal sugar levels as well as bright acidity. The sustainably farmed fruit came from our superior blocks of cool Riverview and warmer Viento vineyards. The grapes were harvested at dawn and transported for whole cluster pressing with minimal skin contact. The two fields were fermented separately in stainless steel tanks without any malolactic fermentation. The final blend was determined only after a number of trial blends with the addition of Semillon from the Viento Vineyard to finish off this outstanding, well-balanced, 2019 Sauvignon Blanc.
