Garnacha/Syrah

Intense red, fresh, fruity and bursting with youth. Notes of red fruits, raspberries and strawberries, and subtle floral aromas.

“Our main values are quality, excellence and innovation, environmental sustainability and a love for our product and our land”

Sourced from Carinena, Spain, the birthplace of Garnacha, it became clear that our first Brocovino efforts from Europe would emanate from this historic land. The vines for these cuvee’s average 30-65 years of age and are grown at 600-800 meters above sea level in gravelly soils.
