## California

### 2014 CABERNET SAUVIGNON

*The Cambridge story begins with our founders, Bruce and Kim Cunningham who named the brand for their home, their heart, on Cambridge Street in their early years in California. The corner of Cambridge and Sunset is the cross roads to a new beginning and a new entrepreneurial ambition. Cambridge & Sunset wines are varietal-focused selections at a great value.*

#### REGION

---

---

Grapes for this wine were chosen from across California's best coastal growing regions, known for producing Cabernet with rich, concentrated fruit flavors and balanced complexity. The climate is generally cool and moderate, which allows grapes to grow quickly.

#### WINEMAKING/VITICULTURE:

---

---

The 2014 harvest is known to be the earliest and third in a string of great vintages this decade. Significant rain in late February and early March relieved most of the stress and set up the vines for a vigorous start. Careful selection of each parcel of Cabernet Sauvignon followed by traditional winemaking techniques and oak maturation give this wine its unique balance of flavors.

#### TASTING NOTES:

---

---

This Cabernet Sauvignon has aromas of strawberry, cherry, and plum, with the additional hint of blueberry and mocha. On the palate, baking spices such as nutmeg and cinnamon blend with strawberry, raspberry, and cherry. The finish is soft, with mocha and a lingering flavor of boysenberry jam.
