

# GOOSENECK VINEYARDS®

## Chardonnay

Composition: 100% Chardonnay

Appellation: Navarra, Spain

Alcohol: 13% vol.

### *Taste*

A gorgeous bouquet of orchard fruits followed by a creamy mouth-feel of butter and green apples, wrapped in an elegant composition with a hint of oak, that the slides into a finish of satisfaction.

### *Story*

Inspired by the origins of California wines, whose vines were first planted by the Spanish colonists, Gooseneck Vineyards team worked with generational farmers in the Old World to create this chardonnay.

With several theories placing the origins of the chardonnay grape in Champagne and Navarra in 13th century, the Gooseneck Vineyards team took advantage of the immense quality of the chardonnay grape grown in Navarra. The region's limestone and clay soils, coupled with a micro-climate that allows for a long, cool growing season aided by the Pyrenees Mountains, create the perfect terroir for producing an incredible chardonnay.

The farmers' sense of pride in their work, history, and terroir, are the reasons why chardonnays from Navarra have consistently won top awards across the globe. Gooseneck Vineyards Chardonnay captures and exemplifies these reasons in the bottle.

### *Complements*

The classic chardonnay will become the favorite of your wine selection, marrying any meal or occasion. Pairs best with light pasta and protein dishes and buttered popcorn with a Netflix Movie
