*Refreshing*

### **TASTING NOTES:**

Fragrant cranberry and red raspberry aromas carry through to the palate, framed on the palate by notes of cedar, spice, vanilla with crisp yet silky finish. The wine pairs well with light pasta dishes, grilled salmon, and roasted chicken.

### **FOOD PAIRING:**

*Perfect with a large array of delicate food, such as any salads especially Caesar salad, Caprese, or seafood dishes. It is also excellent with pasta with light sauces, fish in general, chicken and egg based-dishes. Try with sushi and rolls, it will delight you.*
