COUNTRY OF ORIGIN

Tuscany, Italy

APPELLATION

Toscana

VARIETALS

Montepulciano, Cabernet Sauvignon, Merlot

TASTING NOTES

From March through August the weather was cool and rainy. This climate gave the wine a very intense ruby color with brilliant reflections. On the nose it shows delicious hints of red and black fruits, with a triumph of ripe blackberry and raspberry. Abundant rainfall, gave the wine a less structured body, highlighting a well-balanced elegance and acidity, which perfectly supports the juicy dark fruity notes through with a long, satisfying finish.
