

Retro

RETRO' is a tribute to our origins, the name has an explicit meaning and the reference to the past is clear; the precious decoration, in gold foil, recalls the typical Venetian ornaments of the early years of the '900, those same years when Carlo Botter and his wife Maria founded the company in a small village in the lagoon hinterland: Fossalta di Piave, it ran year 1928. It's been 90 years, the company has evolved, has been able to innovate, it is internationalized and the wines can be tasted in over 70 countries. Retro' for this remains: a tribute to the choices of our ancestors, our history!
