

**BRAND NAME :** *Rival Syrah*

**COUNTRY OF ORIGIN :** *USA*

**APPELLATION :** *Paso Robles*

**VARIETALS :** *Syrah*

**TASTING NOTES :** *A truly outstanding wine, this Syrah is a deliciously bold, fruit-driven and extracted wine that delivers a big experience – without being overpowering. This is a feat for many wines from Paso Robles, where flavors can be over-driven – for those that are accustomed to a more restrained style. Rich, complex and dark, this wine carries itself perfectly when sipped alone or paired with food.*
