

SEBASTOPOL HILLS

2018 CALIFORNIA CABERNET SAUVIGNON

Sebastopol Hills Cabernet Sauvignon is sourced from some of California's most prestigious wine regions.

Layered aromas of tobacco, raspberry and cedar introduce a complex array of interwoven flavors including black cherry, vanilla and subtle baking spices. The tannins are well woven into the fabric of this medium-bodied wine and offset a juicy acidity and long finish of plum, graphite, and nuanced vanilla.

We recommend enjoying this over-achieving Cab alongside creamy pasta dishes with mushroom, spicy beef tacos or Korean-style beef ribs.

Cellar notes

pH: 3.73/ TA: 5.56g

Harvest date: October 2018

Aging: French oak barrels
